## Job advertisement FIL Photographer 2024/2025

The International Luge Federation (FIL) is the world federation of luge recognized by the International Olympic Committee (IOC) and one of seven Olympic winter sports federations worldwide.

For the upcoming competition season (from the end of November 2024 to the end of February 2025) we are looking for a

### Photographer (m/f/d)

on a freelance basis.

#### Main tasks

- Capture high-quality photos and video clips on-site at approximately ten international luge competitions (World Cups and Championships) each season
- Edit images and videos, manage an image archive, including keywording and organization
- Quickly deliver news-relevant images of winners and placed athletes for FIL media and stakeholders (national partner federations and sponsors)
- Provide images for use on social media
- Cover competition days thoroughly
- Select the images
- Prepare data for further use
- Collaborate closely with various departments and stakeholders, such as the communications manager
- Contribute creative input

#### We expect:

- Solid training and specialist knowledge in photography
- Experience in sports photography
- Provision of your own photo and video equipment, along with professional editing technology
- Proficiency in editing programs and digital image/video platforms
- Creativity, initiative, and reliability
- Service-oriented interaction with media representatives and other stakeholders
- Willingness to travel and work irregular hours, especially on weekends

Please send your detailed application with the usual documents (passport photo, CV, certificates, etc.) by

**05 July 2024**

per email to Executive Director Christoph Schweiger (schweiger@fil-luge.org).

Please also include your salary expectations in your letter of application.
