Dear National Federations,

Beginning July 1, 2024 the FIL e-license for the 2024/25 season can be issued or renewed via the Licenses Management of DokuMe.

The following documents are required for the issue of an e-license for the first time:

- Copy of passport or identity card (in case of identity card please front and back)
- passport photo
- Data protection declaration
- Acknowledgement of the FIL Statutes and Regulations
- Anti-Doping Privacy Notice
- Athlete Agreement on the FIL Anti-Doping Code
- Athlete Consent Form
- Adel Anti-Doping Education Certificate

The following documents are required for the renewal of the e-license as some changes have been made to the documents:

- Data protection declaration
- Acknowledgement of the FIL Statutes and Regulations
- Anti-Doping Privacy Notice
- Athlete Agreement on the FIL Anti-Doping Code
- Athlete Consent Form

Instructions (how-to video) for the initial license application or renewal can be found under the following link:

Please find all required documents attached. Of course, you can also download all required documents directly from the license administration.

We kindly ask you to request all licenses for the athletes promptly, as the FIL office has to check the received documents and data first.

License fee per athlete and sport year € 10.  
Billing will be done annually through the FIL office.

The e-license is necessary for all FIL competitions in artificial track (general class, juniors, and youth A) as well as natural track (general class and juniors) where online registration (via DokuMe platform) is required.

Registration for the various FIL races will most likely be possible beginning in August. You will receive separate information in due time.

If you have any questions or need help, we will be happy to assist you.
